Private dining

Tucked away within a cosy recess of the restaurant our private dining room invites people to come together. A space that is as artistically eloquent as it is comforting — here food is shared, glasses are raised and moments are celebrated.

Seasonal offering

Our Signature Menu unfolds as a journey through the Somerset landscape. With ingredients grown on our farm or sourced locally, it focuses on celebratory dishes that we have perfected over the years including Cornish lobster and our famous game pithivier. Our seasonal offering delivered in an intimate group setting.
